Sir:

At the time of filing this application, it was believed that applicant qualified as a small entity, and the filing fee and subsequent fees for a small entity have been paid.

However, it has now been found that the assignee was a subsidiary of a large entity, and that the fees for a "large" entity should have been paid.

It is respectfully requested that the enclosed retroactive fees be accepted by the PTO to rectify this inadvertent error.

The fees are computed as follows:
